CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

The most updated information on this Certificate of Listing is available online at pld.iapmo.org

Effective Date: October 2014

Void After: October 2015

Product: Temperature Actuated Mixing Valves for Hot Water Distribution Systems

File No. 8589

Issued To: Thermomat S.r.l.
Via M. Curie 7
Virgilio, 46D30
Italy

Identification: Each device shall have the following information permanently marked so the markings shall be visible in the installed position: Name of manufacturer or trademark, model number, and hot and cold indications on inlets. Product must also bear the UPC® certification mark.

Characteristics: Temperature actuated mixing valves for hot water distribution systems to be installed in accordance with the manufacturer's instruction and the latest edition of the Uniform Plumbing Code. Product to be installed using IAPMO listed fittings.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Products are in compliance with the following code(s):

Uniform Plumbing Code (UPC®)

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing.
