

Product code	MP410	Product Family	ACCESSORI	Collection	Community
Description	Hand dryer Electric. Manually operated. Ultrafast.				
Certifications	TUV UNI EN ISO 9001 system certification. CE declaration of conformity to the European Low Voltage Directive 35/2014. CE declaration of conformity to the European Directive for Electromagnetic Compatibility 30/2014. 				
Prestazioni	Total power 1750 W.				
Features	Activation via photocell. High mechanical robustness, vandal-proof design, with high power and flow rate. Suitable for frequent use in public spaces. Super fast, it allows perfect drying in 12-15 seconds depending on the environmental and use conditions. Up to 80% economic savings compared to drying with paper and cotton. Operation when the hands are inserted. 400 ml water collection tray with overflow. Optional EPA E11 filter: eliminates up to 97.66% of bacteria. Without electrical resistance, heating of the air by compression and through the heat of the engines reduces consumption and minimizes maintenance costs. Double jet of massaging air at 410 km/h.				
Finishes	White colour.				
Materials	Stainless steel.				
Installation	Fix to the wall. Choose anchors suitable for the type of masonry. Safety information: The device must be mounted by a competent and qualified professional installer. The manufacturer is not responsible for the installation of the product. Periodically check that the wall fixing is solid and stable. Keep the product properly clean.				
Maintenance	Periodically check the correct fastening of the accessories. Carry out adequate cleaning with soap and water, do not use aggressive, abrasive, corrosive products, alcohol, acids, acetone, thinner, etc. Don't scratch. Do not use the product for purposes other than those intended.				
Packaging	Imballo singolo in scatola di cartone.				

Weight	11 kg
