

Product code	SLACAEAO320WGA	Product Family	ACCESSORI	Collection	Community
Description	Hand dryer Electric. Automatically operated. Ultrafast.				
Certifications	TUV UNI EN ISO 9001 system certification. CE declaration of conformity to the European Low Voltage Directive 35/2014. CE declaration of conformity to the European Directive for Electromagnetic Compatibility 30/2014. 				
Prestazioni	Total power 1200 W				
Features	Activation via photocell. High mechanical robustness, vandal-proof design, with high power and flow rate. Suitable for frequent use in public spaces. Super fast, ensures perfect drying in 7-12 seconds depending on environmental conditions and usage. Up to 80% cost savings compared to drying with paper or cotton. Activated by hand insertion Equipped with an antibacterial filter to ensure that the air used for drying users' hands is as clean and hygienic as possible The ECO Air sensor detects the ambient temperature and automatically adjusts the airflow temperature to keep operating costs low. Airflow speed of 95 m/s. Protection rating IP12 Automatic shut-off after 60 seconds				
Finishes	Colour: Grey.				
Materials	ABS.				
Installation	Fix to the wall. Choose anchors suitable for the type of masonry. Safety information: The device must be mounted by a competent and qualified professional installer. The manufacturer is not responsible for the installation of the product. Periodically check that the wall fixing is solid and stable. Keep the product properly clean.				
Maintenance	Periodically check the correct fastening of the accessories. Carry out adequate cleaning with soap and water, do not use aggressive, abrasive, corrosive products, alcohol, acids, acetone, thinner, etc. Don't scratch. Do not use the product for purposes other than those intended.				
Weight	3,4 kg
